Adjusting Ranges in response to COLA Increase**

Department: Human Resources

Presenter: Mike Loeser

Caption: Motion to approve new salary scale for general workforce and SES I – III level employees based on the 2% COLA that was approved in the 2016 Budget effective as of the paycheck of April 1, 2016.

Background: The Augusta, Georgia Commission reconvened the November 17, 2015 Commission Meeting on Tuesday, December 1, 2015 and approved the FY 2016 Budget. The Budget included a 2% across-the-board pay adjustment, which is the first such adjustment in eight (8) years. The increase recognizes the need for a COLA adjustment in order to remain competitive in the market, attract and retain the workforce, and maintain the integrity of the pay structure.

Analysis: Attached is a new salary structure which has been increased by 2% at each level to reflect the cost of living adjustment.

Financial Impact: Funding for the 2% adjustments were included in the 2016 budget.

Alternatives: Failure to adjust the ranges would result in some employees being paid below the market range.

Recommendation: Approve the motion as presented.
