Background:	In August 2016 an employee of Engineering Department, Engineering Maintenance Division put gasoline in a Ford F-350 (DRW). This truck had a diesel engine. The Procurement Department received quotes back from four vendors (see attached tab sheet) with the following results for bid 16-190: (1)Allan Vigil Ford = \$40,422.00; (2) Fairway Ford = \$40,745.40; (3) Gerald Jones Ford = \$40,215.00 and Ben Mynatt Chevrolet was non-compliant.

**Administrative Services Committee Meeting

Bid Item 17-168 Re-roof Friedman Branch Library**

Department: Central Services - Facilities

Presenter: Takiyah A. Douse

Caption: Approve award for replacement of the roof on Friedman Branch Library to the lowest compliant bidder, Roofing Professionals, Inc. of Grovetown, GA, in the amount of \$162,900, bid item 17-168.

Background: The shingle roof on the Friedman Branch Library located on Jackson Road in Augusta has reached the end of its useful life. The absolute minimum slope for a shingle roof is 2½” of rise per foot of run with a 4” rise per foot being the recommended minimum. The existing roof slope of 2” rise per foot of run is significantly less than the minimum. Since this is a visible roof where the appearance is important, Central Services determined that a prefinished metal panel would be a better choice for the application. As part of the installation, roof insulation values are to be increased to meet the current energy code requirements. Invitation to Bid (ITB) 17-168 was issued to obtain pricing for replacing the roof. Bids were received on April 11, 2017 .

Analysis: Roofing Professional, Inc. of Grovetown, GA submitted the low bid of \$162,900. The bid price is in line with the anticipated budget costs for this item.

Financial Impact: The cost of the of the roof replacement is \$162,900.

Alternatives: 1. Approve award for replacement of the roof on Friedman Branch Library to the lowest compliant bidder, Roofing Professionals, Inc. of Grovetown, GA, in the amount of \$162,900. 2. Do not approve the purchase.

Recommendation: Approve award for replacement of the roof on Friedman Branch Library to the lowest compliant bidder, Roofing Professionals, Inc. of Grovetown, GA, in the amount of \$162,900.

This memo is to transmit the review and concurrence of responsiveness and compliance by the bidder/offeror, **Roofing Professionals, Inc.** The Augusta, Georgia code requires a contractor to meet the assigned LSBOP Utilization Goal or provide evidence of completing good faith efforts.

Laney Walker Enterprise Zone__Expansion Of**

Department: Housing and Community Development Department

Presenter: Hawthorne Welcher Jr

Caption: Motion to approve the expansion of the Laney Walker Enterprise Zone.

Background: The Augusta Code at 2-4 provides for the designation of Enterprise Zones as an economic development incentive for depressed areas. Laney-Walker / Bethlehem meets the criteria for designation found at O.C.G.A. 36-88-8, and with continued development and interest within seven (7) developmental nodes (part to the LW/B revitalization project), it is important that opportunities for future developmental growth and investment tools (to assist with recruitment of developers/contractors) are present and in place. HCD, in keeping with the Urban Redevelopment Plan/Neighborhood Revitalization Strategy, continues to forge strong partnerships that are indeed providing transformation of these historic areas, from neighborhoods into thriving communities, and see no resistance to continued change over the coming years. There is investment that has been made and potential developmental interest in this expanded area of focus. This expansion is important as we continue development along the Twiggs Street/MLK/Old Savannah corridor and beyond. The designation, in place since 2002 and originally reauthorized in 2015, will continue to allow for the incentives to businesses that create 5 or more new jobs being exempt from ad valorem taxes on a scale over a 10-year period (through 2025).

Analysis: The incentives of tax abatement are positive, and the theory is that revenue not realized due to the abatement would not have happened without the incentives. The abatement schedule for ad valorem taxes is as follows: 100% first 5 years; 80% for years 6 and 7; 60% for year 8; 40% for year 9 and 20% for year 10. Further, HCD seeks Commission approval (to ordinance no. 6508) to amend the Augusta-Richmond County Code, Section 2-4-20, to expand the existing Laney-Walker Enterprise Zone in an effort to

Cover Memo

be sure investments tools of attraction are in place to developers seeking to invest within this specified area.

Financial Impact: See Analysis above.

Alternatives: a) Authorize requested expansion of the LW Enterprise Zone or b) Don't authorize expansion of the LW Enterprise Zone.

Recommendation: Approve the expansion of the Laney Walker Enterprise Zone

Naval Reserve Lease 2017-2018**

Department: Central Services Facilities

Presenter: Takiyah Douse

Caption: Approve extending the lease with the US Navy for the Naval Reserve Center on Central Avenue through June 2018. Lease payments are \$1 per year, Augusta has no financial or maintenance obligations under this lease.

Background: This lease has been in place since 1946. The Navy is required to request renewal annually.

Analysis: This is a continuation of a long-standing existing lease. There is no cost to Augusta and we have no current need for the building.

Financial Impact: None.

Alternatives: 1. Approve extending the lease with the US Navy for the Naval Reserve Center on Central Avenue through June 2018. Lease payments are \$1 per year, Augusta has no financial or maintenance obligations under this lease. 2. Do not approve

Recommendation: Approve extending the lease with the US Navy for the Naval Reserve Center on Central Avenue through June 2018. Lease payments are \$1 per year, Augusta has no financial or maintenance obligations under this lease.

Thank you so much for returning my call and taking time from your busy schedule to listen to my proposal. But, of course, I would like to provide you with more detail. Information about the Documents, known as the Documents of American Law and Government, can be found on the website: TenCommandmentsGA.org. You can also find on this site the GA law that enables these documents to be placed in Courthouses and other public buildings. There are 9 documents which include the following: Ten Commandments, Magna Carta, Mayflower Compact, Declaration of Independence, Bill of Rights, Star Spangled Banner, National Motto, Lady Liberty, Preamble to the GA Constitution. These documents can now be found hanging on the walls in government buildings in 35 GA counties and also at our State Capital building.

I welcome the opportunity to speak with a committee of Richmond County Commissioners at your earliest convenience regarding the placement of the Documents.

Please contact me by phone [781-831-0915](tel:781-831-0915) or by this email. I look forward to meeting you and speaking with the other commissioners.
