Employee Appeals and Dispute Resolution 12.0

#1

August 8, 2018

1.0 POLICY SUMMARY

This policy provides direction and authority to resolve employment related disputes. Each party shall seek guidance from the Human Resources Department regarding such disputes.

	Non Substance- Abuse Termination	Substance Abuse Termination	Suspensions/ Demotions	Other Disputes	INTERNAL
Step 1 Informal within department	X	X	X	X	
Step 2 Department chain of command (if a manager who was not involved in the dispute within the Department is available to hear the dispute)	X	X	X	X	
Step 3 Administrator	X	X	X		
Step 4 Personnel Board	X				

2.0 POLICY STATEMENT:

A. General

It is the policy of Augusta, Georgia to facilitate the fair, equitable and timely resolution of disputes arising from employment with Augusta, Georgia. The goal of the dispute resolution process is for the parties to the dispute to exchange and review information in order to determine whether revision or rescission is warranted of an employment action, corrective action, discharge or other end of employment, or other application of policy, ("covered employment dispute").

INTERNAL

With all disputes an employee is encouraged initially to attempt to resolve the issue informally with his or her immediate supervisor with advice and counsel from the Human Resources Department, (Step 1), although this is not required and does not extend the deadline for filing a written complaint.

Non-Substance Abuse Terminations

Department directors have the authority to make termination decisions for employees within their department. (Step 2). A decision rendered by a department director is final unless the employee timely appeals to the Administrator's Office.

Appeals to Administrator (Step 3)

An employee who has been terminated may file an appeal to the Administrator within five (5) days after the date of the termination if he or she disputes the termination. The Administrator should render a decision on the appeal within ten (10) days from the date of the employee's appeal to the Administrator. The Administrator may, but is not required to, meet with the employee and/or the department director prior to rendering a decision. If the Administrator upholds the termination decision, such decision is final unless the employee timely appeals to the Personnel Board ("Board"). The Administrator may reverse the termination decision or may reduce the termination to a lesser form of discipline.

Appeals to the Board (Step 4)

The Personnel Board will be composed of twelve (12) individuals, one appointee for each Commissioner and two (2) legislative delegation appointments. In order to be qualified to serve on the Board, an individual should have (but is not required to have) professional or academic experience in employment relations and cannot be an employee of the Augusta, Georgia government.

An employee who is terminated for a non-substance abuse reason may file an appeal to the Board within five (5) days after the date of the decision of the Administrator upholding the termination. Within sixty (60) days from the date of the employee's appeal to the Board, a hearing shall be scheduled. Once a hearing is scheduled, each party may request a continuance if appropriate, but no party can request more than two (2) continuances during the course of an appeal.

The Board shall render a written decision, which sets forth evidentiary reasons for the decision, within ten (10) business days of the close of the hearing. The decision of the Board shall be in writing which shall set forth the reasons for its decision regarding the dispute. The Board shall only have the authority to uphold the termination or to reverse it. When appearing before the Board, employees are responsible for any expenses incurred by them. The decision of the Personnel Board is the final step of the dispute process for non-substance abuse terminations.

Substance Abuse Terminations

If the Department Review does not resolve a substance abuse termination, employ-

ees terminated pursuant to the substance abuse policies may appeal to the Administrator's office (Step 3) who will have final internal authority to resolve the dispute. Step 4 does not apply to terminations resulting from violations of the substance abuse policies of Augusta, Georgia.

Suspensions/Demotions

If the Department Review does not resolve a suspension/demotion dispute it may be appealed to the Administrator's office who will have final internal authority to resolve the dispute (Step 3). Step 4 does not apply to suspension/demotion appeals.

Other Disputes

Other disputes within the scope of this policy (see Scope below) are to be resolved at the departmental level. If informal discussions cannot resolve a covered employment dispute that does not involve allegations of unlawful discrimination or harassment, it should be submitted to the employee's chain of command, to be addressed, in accordance with department procedure, by a manager(s) who was not involved in the dispute ("Department Review"). Steps 3 and 4 do not apply to disputes that do not involve termination, suspension or demotion. The final step for these disputes is with the department director.

EXTERNAL

Disputes that are not resolved through the Equal Employment Opportunity Complaint Resolution Procedures or at the Administrator's Office or at the Personnel Board may be resolved in a court of law or through alternative dispute resolution.

This Policy does not preclude an employee from filing an administrative complaint with a state or federal government agency.

B. Retaliation

An employee who files a complaint or participates in the complaint process shall not be retaliated against for such conduct.

C. Scope

1. Disputes *Within* the Scope of this Policy

A complaint is a written claim by an employee regarding a specific management action(s) that is alleged to have:

- a.** adversely affected that employee's existing terms and conditions of employment in a material way, and

c. constituted unlawful discrimination or harassment

2. Disputes **Outside** the Scope of this Policy

These concerns or inquiries may be submitted to Human Resources and/or the Office of Compliance for consideration.

c. A request for review of a decision on the classification of a position.

d. A management action taken pursuant to a policy or procedure, unless the complaint alleges that the action was taken violated the terms of the policy or procedure, or for unlawful discriminatory or retaliatory reasons.

Human Resources is responsible for this policy and has the authority to implement the policy. The Human Resources Director may apply appropriate interpretations to administer and clarify the policy provided that the interpretations do not result in substantive changes to the underlying policy.

4.0 PROCEDURES TO IMPLEMENT POLICY

commence on October 1, 2004, and end at 11:59 P.M., September 30, 2014.

The terms of this Agreement during such extension shall be exactly those in effect at the time of the expiration of the initial period, except that rental payments during the option period shall be as follows:

The fixed rental of Fifty Thousand and No/100 (\$50,000) Dollars per year which TEAM shall pay as provided in Section 2 shall increase every year during the renewal term as provided below.

For the first year of the renewal term (i.e. October 1, 2004 - September 30, 2005), the rental shall be Fifty-five Thousand and No/100 Dollars (\$55,000.00) per year.

(i) The CPI for the month of July, 2004, shall be the "Base Index Number". The "Current Index Number" for any Lease Year shall be the CPI for the July immediately preceding the beginning of such Lease Year.

(ii) The Current Index Number shall be divided by the Base Index Number. The quotient thereof shall be multiplied by Fifty-five Thousand and No/100 Dollars (\$55,000.00) to determine the increased rental amount.

This option for extension provided for in this Section 3, shall be exercised by TEAM, if at all, by TEAM mailing written notice of intent to extend to LESSOR by Certified Mail, Return Receipt Requested no later than two (2) years (by September 30, 2002) before the end of the Lease term.

4. USE OF FACILITY. For the purpose of conducting Team Professional Baseball Games, or Other Professional Baseball Games, TEAM shall be the preferred user of the Facility during each Lease Year and shall have first priority of dates over all other activities and events at the Facility. It is specifically provided that should LESSOR permit the use of the Facility for any Non-Professional Baseball Uses that LESSOR shall restore the Facility to the Professional Baseball Configuration at least ten

(10) hours prior to the next scheduled Organized Baseball activity or event, Team Professional Baseball Game, or Other Professional Baseball Game.

During each Lease Year, TEAM shall have access to the Facility at all times and on a daily basis and shall have exclusive access to the Team's Area as shown on Exhibit 3 attached hereto, notwithstanding any other provision hereof to those areas, such as the Team's administrative offices, which are designated herein or on the Exhibits as being areas exclusively for use by TEAM. TEAM shall have the sole, exclusive, and absolute right to use and occupy the Facility beginning not less than ten (10) hours prior to the scheduled starting time of each Organized Baseball activity or event, Team Professional Baseball Game, or Other Professional Baseball Game and continuing until at least five (5) hours after the completion of each such Organized Baseball activity or event, Team Professional Baseball Game, or Other Professional Baseball Game.

Except for the Team's Areas as shown on Exhibit 3 attached hereto, LESSOR intends and reserves the right during all portions of any Lease Year to use the Facility for Non-Professional Baseball Uses or to permit third parties to use the Facility for such Non-Professional Baseball Uses which do not conflict in any way with any use of the Facility by TEAM for Team Professional Baseball Games or with other Professional Baseball Games as provided in Section 24 and elsewhere herein.

Events shall be scheduled at the Facility by notifying TEAM who shall act as general manager of the Facility subject to the limitations set forth in Section 10 below and LESSOR may schedule such events at the Facility so long as they do not interfere with TEAM'S priority use of the Facility as described above or with events previously scheduled by TEAM as general manager of the Facility.

Further, it is expressly understood by the Parties that there is a practical need for TEAM to advise LESSOR of its intended schedule of uses of the Facility well in advance of those uses so that LESSOR may have the opportunity to schedule other activities or events at the Facility. Accordingly, TEAM shall furnish LESSOR its League Schedule within ten (10) days of official receipt of the same by TEAM, provided, however, LESSOR shall not schedule any events for a calendar year until the League Schedule is furnished to LESSOR or TEAM consents to said scheduling and said consent shall not be unreasonably withheld.

Notwithstanding the foregoing, (1) in no event shall LESSOR or TEAM permit any use of the Facility which causes or may cause any material damage to the Professional Baseball Configuration or to the playing surface of the Facility which cannot be repaired at the expense of the damaging party prior to the next scheduled Team

Professional Baseball Game or Other Professional Baseball Game and (2) LESSOR shall prohibit usage of any third party within the Team's Areas as described in Exhibit 3 attached hereto.

Provided, however, that the LESSOR shall permit no use of the Facility which shall or may adversely affect the territorial rights of the TEAM as the same are defined by the Professional Baseball Agreement. Further, it shall be the absolute responsibility of the TEAM to provide the LESSOR with a copy of the Professional Baseball Agreement and any and all changes, alterations or amendments thereto, otherwise the LESSOR shall have no such obligation to the TEAM.

5. DESIGN OF FACILITY. CITY shall employ Robert S. Woodhurst, III, FAIA, of The Woodhurst Partnership, as its architect to design the Facility and CITY shall employ a general contractor to construct the Facility. CITY shall design the Facility in two (2) phases: (1) "Schematic Design" and (2) "Design Development".

Upon the execution of this Agreement, CITY shall cause the architects to proceed with the design of the Facility. CITY shall provide TEAM and COUNTY with copies of the fifty percent (50%), and of the one hundred percent (100%) complete Schematic Design drawings and Design Development documents for review and comment by TEAM and approval by COUNTY. CITY shall cause the architects to schedule a complete presentation/work session with LESSOR and TEAM which shall be held within five (5) business days from the date of delivery of each set of drawings and documents, respectively, to facilitate review and comments. In addition to the foregoing, TEAM and LESSOR shall meet with the architects as often as is reasonably necessary to review all available drawings and documents, and, prior to all of such meetings, CITY shall cause the architects to supply all such drawings and documents to TEAM and County.

Once Design Development documents have been completed and approved by the Parties, CITY shall cause the architects to produce Construction Documents based upon the approved Design Development documents and CITY shall cause its general contractor or contractors to construct the Facility in strict accordance and consistent with the Design Development documents and with this Agreement. The Schematic Design drawings, the Design Development documents, the Construction Documents and the design and development schedule for the Facility, as approved by LESSOR and TEAM shall be marked "Exhibit 4", attached hereto, and shall become a part of this Agreement just as if the same were set forth fully herein verbatim. It is specifically understood and agreed by the Parties that the drawings and documents, respectively, shall not preclude the Parties from agreeing upon Change Orders during the construction of the Facility.

Subject to the spending limitations set forth in this Agreement, LESSOR agrees that the Facility shall meet or exceed the Standards for Minor League Playing Facilities for Class A Minor League Clubs as the same are set forth in the PROFESSIONAL BASEBALL AGREEMENT (Major League Rule 40 and Attachment D, Facility Standards and Compliance Inspection Procedures), as set forth on Exhibit 5, attached hereto.

The design of the Facility is subject to review and approval by TEAM strictly within the terms, conditions, and constraints of Exhibit 5, attached hereto, and within the construction budget as established by and at the discretion of LESSOR.

6. CONSTRUCTION OF FACILITY. The City and County each agree to incur costs not to exceed One Million Five Hundred Thousand and No/100 Dollars (\$1,500,000.00) each for the construction of improvements and renovations to Heaton Field which shall be so constructed, lighted and equipped at least to meet the minimum standards of the Professions Baseball Agreement of 1991. The expenses to be incurred are listed in Exhibit 2 attached hereto. Subject to the spending limitations CITY agrees, immediately after the execution of this Agreement, to construct the Facility at a cost and expense to the CITY and COUNTY not to exceed One Million Five Hundred Thousand and No/100 Dollars (\$1,500,000.00) each and not at the cost and expense of TEAM, as expeditiously as possible, for use by TEAM pursuant to this Agreement. CITY shall construct the Facility in compliance and conformity with the following preliminary details which are reflected substantially in the schematics set forth on Exhibit 4, attached hereto. To the extent permitted by the spending limitations set forth in this agreement the Facility shall be of a design and quality as is further detailed on Exhibit 4, attached hereto, and, in all respects, the Facility shall be of a quality, as to aesthetics, materials used, and workmanship, comparable to or better than the facility known as McKechnie Field, Pirate City, situated in Bradenton, Florida. The Facility shall have a natural grass professional baseball field and playing surface constructed and maintained in the Professional Baseball Configuration for use by TEAM. The Facility shall have a minimum seating capacity for the viewing of professional baseball games of 4,000 permanent, fixed seats. The Facility shall contain the number of luxury stadium suites or "sky boxes", if any at all, as the construction budget provided by LESSOR shall permit. If any luxury stadium suites or "sky boxes" are constructed, one (1) shall be available for the exclusive use of or subletting by TEAM, and shall be selected by TEAM at its discretion, which discretion shall not be questioned by anyone, including LESSOR, and the remaining number of which, if any at all, TEAM shall be authorized to use and to sublet and receive the revenue therefrom for all activities and events held or conducted at the Facility. The Facility shall contain a reasonable amount of unfinished office space in such size and dimension as are agreed upon by and between the Parties, which TEAM shall have for its exclusive use during the term of this

agreement for the conduct of its business. The Facility shall also contain a stadium club (restaurant, lounge, activity or event viewing area) suitably located as mutually agreed upon by LESSOR and TEAM, if the cost of construction of such stadium club in the Facility shall be financially feasible and within the construction budget. The County shall be a party to any contract in connection with the construction of the Facility for the limited purpose of agreeing to pay one half of each contractor's approved bill as provided above.

8. THIRD PARTY BENEFICIARY. LESSOR and TEAM all acknowledge the importance to TEAM of the Facility being substantially complete and available and adequate for use by TEAM on or before April 1, 1995. Therefore, in any construction contracts for the Facility, TEAM shall be designated as a third party beneficiary and specifically given the right to enforce said contracts and shall further be given the right to have inserted in said contracts penalties to be paid to TEAM in the event the contractor fails to meet the required schedule. The terms and provisions of said contracts shall be approved by TEAM which approval shall not be unreasonably withheld.

9. COMPLETION DATE. The Parties shall make reasonable efforts to have the Facility substantially completed and available and adequate for use by TEAM on or before April 1, 1995. "Substantially completed and available and adequate for use" for the purposes of this Agreement shall mean that a Certificate of Occupancy and all required rights, authorizations, or permits shall have been issued for the Facility and that all aspects of the Facility shall have been constructed in substantial compliance in all material respects with this Agreement on or before March 31, 1995.

In the event that a certain area or areas of the Facility is or are substantially completed and available and adequate for use by TEAM on or before April 1, 1995, then TEAM may use such area or areas of the Facility before April 1, 1995, upon the receipt of written consent therefor from LESSOR, which consent shall not be withheld unreasonably.

10. MANAGEMENT OF FACILITY and REVENUE. Subject to the approval of LESSOR acting through the COMMISSION, the TEAM shall be the general manager of the Facility and shall be responsible for scheduling events subject to the right of LESSOR herein to schedule events as provided in Section 4.

For all events, other than Team Professional Baseball Games and Other Professional Baseball Games, for which TEAM agrees to provide operational and maintenance services by furnishing the personnel to operate the Facility and cleanup after the event (TEAM Sponsored Events), TEAM shall receive all parking and concession revenue and 75% of ticket sales. Provided, however, TEAM shall not be required to schedule an event for which it provides operational and maintenance services unless TEAM is assured of receiving at least its actual cost of providing such services, which actual costs shall not exceed Fifteen Hundred and No/100 Dollars (\$1,500.00).

In addition TEAM shall receive all advertising and related revenue as provided in Section 14 and broadcasting and related revenue as provided in Section 15.

If CITY or COUNTY wishes to schedule events at the Facility, which will not produce such revenue, such Party will provide the necessary personnel to operate the Facility for such events and the clean-up after such events except that LESSOR and TEAM agree that the concession facilities owned by TEAM will not be operated by any third party so such concession facilities will not be available at the Facility unless operated by the TEAM.

11. TICKET SALES. TEAM shall set ticket prices for all events at the Facility and, subject to the provisions of Section 10 of this Agreement, shall be entitled to receive and retain all revenues from ticket sales. TEAM agrees to consult periodically with the COMMISSION concerning prices to be charged for tickets, but reserves the right to fix the prices for tickets in TEAM'S reasonable discretion.

TEAM shall also be entitled to charge admission, participation, and related fees and charges in connection with its operation of any of its other events or activities at the Facility.

12. **PARKING.** LESSOR shall provide a parking area or areas within a reasonable distance of the Facility for use by TEAM and to accommodate persons attending, participating, or servicing any and all activities or events, including Organized Baseball activities and events, Team Professional Baseball Games, Other Professional Baseball Games, and Non-Professional Baseball Uses conducted, sponsored, or permitted by TEAM as is contemplated by this Agreement. Additionally, specifically, LESSOR shall make available free of charge to TEAM, in an area immediately adjacent to the stadium located at the Facility and inaccessible to the public as a result of fences, walls, gates, or similar barriers, sufficient parking spaces, but in any event, not less than sixty (60) paved spaces, for TEAM'S players and other personnel, and press, radio, and television personnel, and such other persons as may be designated for use of such paved spaces by TEAM, such area of sixty (60) paved spaces is described on Exhibit 6, attached hereto. TEAM and its officers, employees, agents, representatives, designees, and advisors shall have access to such sixty (60) paved spaces as described on Exhibit 6, attached hereto, on a year-round, twenty-four (24) hours per day basis.

Subject to the spending limitations set forth herein, LESSOR warrants and agrees that the parking area or areas together with other available parking shall meet or exceed the STANDARDS FOR MINOR LEAGUE PLAYING FACILITIES for Class A Minor League Clubs as the same are set forth in the PROFESSIONAL BASEBALL AGREEMENT (Major League Rule 40 and Attachment D, Facility Standards and Compliance Inspection Procedures), as set forth on Exhibit 5, attached hereto.

TEAM shall cooperate with LESSOR regarding the use of such parking area or areas and with the specific exception of such sixty (60) paved spaces as described on Exhibit 6, attached hereto, shall permit such parking area or areas to be used to accommodate temporary vehicular parking during all activities held at the Facility.

TEAM shall operate, control, maintain and clean the parking area or areas at the Facility to the extent provided herein. For all events other than Team Professional Baseball Games and Other Professional Baseball Games for which TEAM is responsible for providing operational and maintenance services (TEAM Sponsored Events), TEAM shall provide cleanup after activities, security, utilities, insurance (including garage keeper's insurance) and shall retain all revenues generated from the operation of such parking area or areas at the Facility during all activities or events held at the Facility during the entire term of this Agreement, including those activities or events held at the Facility and sponsored by not-for-profit entities.

TEAM agrees to consult periodically with LESSOR concerning fees to be charged by TEAM for parking at the Facility and TEAM

shall notify COMMISSION of any intended change of the fees to be charged for parking at the Facility not less than thirty (30) days before the date that such intended change shall become effective. Notwithstanding the foregoing, TEAM shall have the exclusive authority to fix and set the fees to be charged for parking at the Facility. Initially, for the purpose hereof, a two dollar (\$2.00) or lesser charge for parking at the Facility shall be presumed to satisfy the requirements of this Section 12.

13. CONCESSIONS. Except as otherwise provided herein TEAM shall be the sole, exclusive, and absolute food, beverage, alcoholic beverage, and catering concessionaire for all activities or events held at the Facility for the entire term of this Agreement. Such concession items may include, but not be limited to, all foods, beverages, alcoholic beverages, candy products, and all other food and beverage concessions, all of which may be sold or distributed from fixed or portable concession stands and through vendors at all activities or events held at the Facility for the entire term of this Agreement. Nothing herein shall be construed as granting TEAM a liquor, beer or wine license.

TEAM may grant concession rights to third parties as is appropriate for the conduct of TEAM'S business at the Facility. TEAM shall notify LESSOR in writing of its selection of any assignee well in advance of the commencement of operations by such assignee and as soon as the assignee is selected by TEAM. LESSOR reserves to itself the right to approve any assignee with whom or with which TEAM intends to contract to provide concessions at the Facility, which right to approve any such assignee shall not be withheld unreasonably by LESSOR.

It shall be the responsibility of TEAM to purchase and maintain all equipment necessary for the operation and sale of concessions at the Facility during the entire term of this Agreement. TEAM shall not be required to permit third parties to operate concession equipment at the Facility.

TEAM or its assignee, if any, shall provide concessions and concession services and a sufficient number of properly trained concession personnel to provide the concessions and concession services at those activities or events held at the Facility for which TEAM provides operational and maintenance services. In addition, TEAM agrees to provide a reasonable selection of quality

items for purchase by those attending activities or events held at the Facility.

TEAM shall use its best efforts to produce the maximum gross revenue possible without limiting the quality of products sold or services supplied at the Facility. Concession stands shall be open at such locations and during such hours as determined by TEAM in its discretion. It is provided, however, that TEAM shall exercise this discretion and authority in a reasonable manner and shall use its best efforts to base its requirements as to the number of locations to be operated and the hours of service upon its best estimates of anticipated attendance and demand for concessions and concessions services which best estimate shall consider always the advice of the Commission which shall be requested by the TEAM before making such determination.

TEAM shall maintain high standards of cleanliness and product quality and shall consult annually with Commission as to these issues and as to pricing issues and shall give reasonable consideration to the view of Commission regarding these issues.

TEAM shall retain all such revenues generated from the operation and sale of concessions and concession services at the Facility during all activities or events held at the Facility during the entire term of this Agreement.

TEAM shall be the sole and exclusive concessionaire for novelty and souvenir items which shall include novelties, souvenir items, Organized Baseball souvenirs and novelties, caps, equipment, wearing apparel, and programs. Not later than ten (10) days before the beginning of each season during the term of this Agreement, TEAM shall submit to LESSOR, in order to notify LESSOR, a schedule of all articles to be offered for sale and the prices which TEAM intends to charge for those articles. TEAM may adjust the schedule of articles to be offered for sale and the prices which TEAM intends to charge for those articles as needed as long as TEAM shall advise LESSOR no later than ten (10) days before such adjustment to the schedule of articles and prices shall go into effect. TEAM agrees to conduct concession sales in a clean, professional, and businesslike manner similar to operations in other Minor League stadium. TEAM may sell alcoholic beverages only at Team Professional Baseball Games, Other Professional Baseball Games and Organized Baseball events, unless

specifically authorized by Commission to sell alcoholic beverages at other activities or events held at the Facility. Subject to obtaining the necessary licenses and complying with the applicable rules and regulations, TEAM may begin the sale of alcoholic beverages at or after one and one half (1 1/2) hours prior to the scheduled start of any activity or event at which the sale of alcoholic beverages shall be allowed in accordance with this Agreement, and may continue the sale of alcoholic beverages until the conclusion of such activity or event. TEAM specifically understands and agrees to the foregoing restrictions on the sale of alcoholic beverages at the Facility notwithstanding any lack of similar restrictions in its license to sell alcoholic beverages at the Facility.

TEAM agrees to abide by all municipal, county, state, and federal laws, ordinances, rules, and regulations and to obtain all necessary and proper licenses, permits, and authorizations for the conduct of its business at the Facility.

Notwithstanding the foregoing, City and County reserve the right to sell or to allow third parties to sell souvenir and novelty items and concessions so long as the permanent concession facilities operated by TEAM are not utilized at City or County sponsored or authorized activities or events held at the Facility and to retain the proceeds from such sale. LESSOR may not sell any novelty or souvenir items which are or appear to be Augusta GreenJackets souvenirs, novelties, caps, equipment, wearing apparel, or programs, or which novelty or souvenir items carry the logo of the Augusta GreenJackets or the logo of any other entity in Organized Baseball and shall not allow any third party to sell such items.

TEAM shall provide and install at its cost and expense, and not at the cost or expense of LESSOR, a Minor League quality scoreboard at the Facility at a location and by using a method of installation acceptable to TEAM and TEAM shall have the sole, exclusive, and absolute right to sell all advertising in connection with such scoreboard for the entire term of this Agreement. Such sole, exclusive and absolute right of TEAM to sell all advertising in connection with such scoreboard shall be limited to the right of TEAM to sell advertising only on the face of the scoreboard which faces the interior of the stadium and the right to sell all of the

scoreboard message center advertising facing the interior of the stadium.

For all of the foregoing, however, it is specifically provided that the kind, type, size, and location of all advertisements shall be in keeping with the character of the Facility and shall not be offensive to LESSOR and its citizens. TEAM shall permit LESSOR to review and approve in writing all plans and specifications for all of such advertising prior to placement or to use at the Facility.

TEAM shall have the right to advertise and use such other lawful means of soliciting business as it deems appropriate. TEAM also shall have the right to erect signs at the Facility for the purpose of announcing Home Games and all other activities or events to be held or conducted at the Facility. TEAM shall have the authority and discretion to set the prices for everything to be sold pursuant to this Section 14 for all activities or events held at the Facility during the entire term of this Agreement.

TEAM shall retain all such revenues generated from all of the activities contemplated by this Section 14, and all such revenues so generated shall be the sole, exclusive, and absolute property of TEAM during the entire term of this Agreement.

TEAM shall provide and install at its cost and expense and not at the cost or expense of LESSOR, a marquee to announce the events and activities to be conducted at the Facility at a location mutually acceptable to the LESSOR and to TEAM, said location to be provided by City to TEAM at City's cost and expense and not at the costs or expense of TEAM. TEAM shall obtain, at its cost and expense and at no cost or expense to LESSOR, all necessary permits and licenses for the construction and location of said marquee and shall obey all ordinances, regulations, and statutes pertaining to the location, construction, maintenance, and operation of said marquee.

LESSOR shall have the right, at its expense and at no expense to TEAM, to cover temporarily any advertising material, signs, banners, or information used or placed by TEAM at the Facility which might or could be or is objectionable to any other user of the Facility. The act of covering temporarily any advertising material, signs, banners, or information shall not harm or deface any such advertising material, sign, banner, or information in anyway whatsoever. LESSOR shall repair immediately any material damage to any such advertising material, sign, banner, or information caused by LESSOR, its agents, contractors, or employees.

15. BROADCASTING, CABLECASTING, OR TELECASTING. TEAM shall receive all revenue, income, receipts, or benefits from whatsoever sources from the TEAM'S broadcasting, cablecasting, or telecasting of any games played by the Augusta GreenJackets or any other Organized Baseball events, Team Professional Baseball Games or other Professional Baseball Games sponsored by TEAM and LESSOR shall receive no revenue, income, receipts, or benefits from such broadcasting, cablecasting, or telecasting. LESSOR shall not participate, in any manner, in determining when or whether said games sponsored by TEAM shall be broadcasted, cablecasted, or telecasted, and TEAM shall have all rights with respect to the same including all rights pertaining to the contracting for the same. LESSOR shall charge no special fees, permits, or hook-up expenses to TEAM or its broadcasters, cablecasters, or telecasters. LESSOR shall receive all broadcasting, cablecasting or telecasting revenue from all events sponsored by LESSOR.

16. HOME GAMES TO BE PLAYED AT FACILITY. In addition to the lease payments required to be made by TEAM and as stated additional consideration for TEAM'S use of the Facility, TEAM agrees that it shall require the Augusta GreenJackets to schedule and play each and every one of its Home Games exclusively at the Facility during the entire term of this Agreement. It is specifically provided, however, that upon the written request of TEAM accompanied by the written approval and consent of the South Atlantic League, TEAM may request LESSOR'S special written consent for TEAM to play an occasional Home Game at another location, that is, at a location other than the Facility. Such written request of TEAM shall be made to LESSOR no less than thirty (30) days prior to the day of such Home Game proposed at such other location. The written consent of LESSOR shall not be withheld unreasonably. TEAM shall not request LESSOR'S special written consent to play an occasional Home Game at such other location any more often than two (2) times during any Championship Season.

17. TEAM NAME CHANGE/RELOCATION. TEAM retains the right to change the name of the Augusta GreenJackets at any time and from time to time without the consent of LESSOR, and TEAM agrees that it shall maintain the membership of the Augusta GreenJackets (or the membership of the professional baseball club now known as the Augusta GreenJackets however it may be known in the future) in the South Atlantic League or its successor or some other league acceptable to LESSOR, which acceptance shall not be unreasonably withheld, for the entire term of this Agreement. Such change of name shall in no way be construed to permit the Augusta GreenJackets (or the professional baseball club now known as the Augusta GreenJackets however it may be known in the future) to play its Home Games at any other location except as in the specific manner as is permitted in Section 16 of this Agreement, and such change of name shall in no way permit TEAM to be relieved of any of its obligations or requirements pursuant to this Agreement.

18. OPERATING MAINTENANCE; CAPITAL MAINTENANCE; CAPITAL IMPROVEMENTS.

A. Operating Repair and Maintenance; Capital Repair and Maintenance. B. CAPITAL IMPROVEMENTS. After the completion of the Facility, TEAM shall have the right, from time to time, at its own expense, to make all such alterations and improvements to the Facility, as shall be reasonably necessary or appropriate, in TEAM'S judgment, for TEAM'S conduct of its business, provided that prior to the commencement of any alteration of any improvement, LESSOR shall have approved, in all cases, in writing, the plans and specifications therefor which shall be submitted to LESSOR by TEAM. Such approval by LESSOR will not be withheld unreasonably. If, within thirty (30) days after such plans and specifications have been submitted and delivered by TEAM to LESSOR for such approval, LESSOR shall not have given TEAM notice of disapproval thereof, then the plans and specifications shall be deemed approved by

LESSOR. In all of these regards, TEAM shall comply with all permitting requirements.

TEAM agrees to make no alterations or improvements to the Facility without first requesting and obtaining the approval of LESSOR in writing as aforesaid. Such approval by LESSOR will not be withheld unreasonably.

At the termination of this Agreement, TEAM agrees to return the Facility to its original or subsequently improved condition, ordinary wear and tear excepted, and to return to LESSOR in good working condition, ordinary wear and tear excepted, all equipment and property of LESSOR, after inspection of the Facility, which inspection shall be made jointly by LESSOR and TEAM. TEAM specifically agrees that in no event shall there be less than two (2) off-duty law enforcement officers present at any event or activity which TEAM holds or conducts at the Facility. Further, TEAM agrees that it shall meet with the Commission to agree upon a set of minimum standards based upon the type of event or activity scheduled to be held at the Facility by TEAM and the anticipated number of persons attending the event, for the purpose of determining the total number of off-duty law enforcement officers (in addition to the minimum number of two (2) required by this Agreement) required by the Commission to be present at the Facility for security purposes.

Such security personnel shall be provided by TEAM and shall be on duty at the Facility at or before one (1) hour prior the scheduled start of all events and activities held at the Facility which are conducted or sponsored by TEAM and such security personnel shall remain at the Facility until at least thirty (30) minutes after the end of any event or activity held or conducted by TEAM at the Facility or until the parking area or areas is or are cleared of substantially all vehicles.

24. USE/QUIET ENJOYMENT. During TEAM'S use and occupancy hereunder and for so long as TEAM is not in default, TEAM shall have and be entitled to the quiet enjoyment with respect to the use and occupancy of the Facility and the privileges herein granted without interruption or interference by any person including, specifically, LESSOR, except to the extent that certain rights to use the Facility, or any portion of it, may be reserved to LESSOR in accordance with this Agreement.

While TEAM is granted the use of the Facility for its purposes as specified in this Agreement, City and County, excluding Team's Areas, have the right to schedule other activities or events at the Facility when TEAM or any third party using the Facility with the approval of TEAM in a manner consistent with this Agreement is not scheduled to use the Facility, subject to the provisions of this Agreement, including, but not limited to, Sections 4 and 10.

25. ASSIGNMENT/SUBLEASE. TEAM shall not assign or sublet the Facility of any portion of it including any portion of the parking area described on Exhibit 6, attached hereto, unless such assignment or subletting is specifically permitted and authorized by this Agreement, without the written consent of LESSOR, which consent shall not be withheld unreasonably by LESSOR. TEAM hereby specifically and expressly assumes responsibility for petroleum or other products spilled or released from tanks, pipelines, structures, leasehold improvements, or vehicles placed on or at the Facility or the parking area or areas by TEAM, its assigns, sublessees, agents, officers, or employees or present on or at the Facility or the parking area or areas at TEAM'S request or as the result of the negligence or willful misconduct of TEAM, its assigns, sublessees, agents, officers, or employees provided there is excluded those items placed on or at the Facility or the parking area or areas by LESSOR, its agents, contractors, or employees. TEAM shall hold LESSOR harmless against all claims resulting from the escape of such petroleum or products from such tanks, pipelines, structures, leasehold improvements, or vehicles. This clause shall not release the City, County or Commission from liability for petroleum or other products placed on or at the Facility or the parking area or areas by City or County, its agents, contractors, or employees or present on or at the Facility or the parking area or areas at LESSOR'S request or as the result of the negligence or willful misconduct of City or County or its agents, contractors, or employees. LESSOR agrees that the site at which the Facility is to be constructed is or shall be as of April 1, 1995, free of hazardous waste or other environmental contaminants.

TEAM shall defend, indemnify, and hold harmless LESSOR against any and all claims which City, County, Commission and their members, officers or employees may hereafter be liable for, suffer, incur, or pay arising under any applicable laws and resulting from or arising out of any act, activity or violation of any applicable laws on the part of TEAM, its assigns, sublessees, agents, officers, or employees, and against any and all claims which the City, County or Commission may hereafter be liable for, suffer, incur, or pay resulting from or arising out of any handling, storage, treatment, transportation, disposal, release or threat of release of hazardous waste or hazardous substances by TEAM or its sublessees, agents, officers, or employees from, on or at the Facility or the parking area or areas. TEAM shall not be

responsible for any pre-existing condition at the Facility or the parking area or areas unless enlarged or aggravated by TEAM, its sublessees, agents, officers, or employees, and only to the extent enlarged or aggravated. Such enlargement or aggravation shall be the responsibility of TEAM to the extent it is at fault. This clause shall not release City, County or Commission from claims or liability from or arising out of any act, activity, or violation of any applicable law, on the part of such third party, its agents, contractors, and employees and any handling, storage, treatment, transportation, disposal, release, threat of release of hazardous waste or hazardous substances by such party, its agents, contractors, or employees from, on, or at the Facility or the parking area or areas.

Further, TEAM agrees to indemnify and hold LESSOR harmless for damages for injuries (including death) to persons or property arising out of its use or occupancy or management of the Facility or the parking area or areas, whether due to its own default or negligence, or the negligence of its assigns, sublessees, agents, officers, or employees, defective conditions of the premises, negligence of the LESSOR, or otherwise; provided, however, that TEAM shall not be liable for any damages due solely to affirmative negligent acts of LESSOR committed in the performance by LESSOR of any work at the Facility or the parking area or areas. TEAM agrees to indemnify City, County and Commission on account of all such claims and further agrees that it will indemnify City, County and Commission fully against any damages, fines, penalties, or forfeitures of any kind which may be imposed or levied against City, County and/or Commission as the result of TEAM'S violation or failure to comply with any valid law, ordinance or regulation of the United States, State of Georgia, or the City, including the Federal Occupational Safety and Health Acts of 1970 as amended from time to time, or any Federal regulation adopted pursuant thereto.

TEAM shall not be liable for any damage due to the intentional or negligent acts of City, County or Commission, its agents, contractors, or employees committed in the performance of any work or activity at the Facility; provided, however, that any law enforcement personnel employed by TEAM to provide security pursuant to this agreement shall not be considered agents, contractors or employees of City, County or Commission.

Furthermore, TEAM shall not be liable for any damages due to the intentional or negligent acts of any third parties using the Facility for events held at the Facility for which TEAM does not provide operational and maintenance services (LESSOR Sponsored Events).

For the purposes of this Agreement, "claims" includes and means all actions, causes of action, whether common law or statutory, remedies, demands, out-of-pocket costs, liability, charges, suits, judgments, expenses, damages, incidental or

consequential damages, clean-up costs, civil penalties, attorneys' fees both at trial and upon an appeal, litigation expenses, abatement costs, abatement and corrective injunctive relief, injunctive relief requiring removal and/or remedial action, all costs of removal or remedial action, and damages to natural resources.

C. TEAM INSURANCE. TEAM shall secure, pay for, and maintain during the term of this Agreement the following insurance coverages:

(a) WORKERS' COMPENSATION. Insurance covering all employees meeting statutory limits in compliance with all applicable state and federal laws. The Workers' Compensation coverage must include Employer's Liability with a minimum limit of One Million (\$1,000,000.00) for each accident.

(b) COMPREHENSIVE GENERAL LIABILITY. Coverage shall have minimum limits of One Million Dollars (\$1,000,000.00) Per Person and Three Million Dollars (\$3,000,000.00) Per Occurrence, Combined Single Limit for Bodily Injury Liability and Two Hundred and Fifty Thousand Dollars (\$250,000.00) Property Damage Liability. This Comprehensive General Liability coverage shall include Premises and Operations, Broadform Property Damages, XCU Coverage, Independent Contractors, Products and Completed Operations, and Contractual Liability. This Comprehensive General Liability coverage policy shall be endorsed to include and cover Liquor Liability.

(c) BUSINESS AUTO LIABILITY. Coverage shall have minimum limits of One Million Dollars (\$1,000,000.00) Per Occurrence, Combined Single Limit for Bodily Injury Liability and Property Damage Liability. This Business Auto Liability policy shall include and cover: Owned Vehicles, Hired and Non-Owned Vehicles, Employee Non-Ownership, and such coverage as is necessary to protect the Parties against liability for the operation of the parking area described on Exhibit 6, attached hereto.

(d) GARAGE KEEPER'S LEGAL LIABILITY. Coverage shall have minimum limits of Five Hundred Thousand Dollars (\$500,000.00). This Garage Keeper's Legal Liability Insurance policy shall cover the parking area described on Exhibit 6, attached hereto.

(e) LESSOR TO BE ADDITIONAL NAMED INSURED. TEAM shall require and cause its insurer or insurers to list City, County and Commission as an Additional Named Insured on the Comprehensive General Liability, the Business Auto

Liability, and the Garage Keeper's Legal Liability Policies.

(f) **INSURANCE POLICIES/CERTIFICATES OF INSURANCE.** Current valid insurance policies meeting the requirements hereinabove identified in this Section [REDACTED] shall be maintained during the term of this Agreement. TEAM shall furnish copies of all policies to LESSOR. TEAM shall cause Renewal Certificates to be sent to LESSOR thirty (30) days prior to the expiration date of any and all policies. Also, there shall be a thirty (30) day written notification to LESSOR in the event of the cancellation or of the modification of any insurance coverage required by this Agreement.

Current Certificates of insurance evidencing that the required insurance provisions of this Section 27 have been met and that said policies are in full force and effect shall be filed with the Commission throughout the term of this lease agreement.

(g) **IF TEAM FAILS TO PAY PREMIUMS.** In the event that TEAM fails to pay the premium or premiums on any or all of the aforementioned policies in this Section 27 when the same shall become due and owing, LESSOR shall have the option to purchase a replacement insurance policy or policies or to continue the current insurance policy or policies, all at the expense of TEAM and not at the expense of LESSOR.

D. **LOSS.** If all or any significant portion of the Facility is damaged or destroyed by fire or other casualty, LESSOR shall repair and rebuild the Facility with reasonable diligence to the condition immediately before such loss or the condition required by law, whichever is greater, with such repair and rebuilding to be completed as soon as is reasonably possible giving due attention to the Championship Season after such fire or other casualty occurs and in any event not later than three hundred fifty (350) days after such fire or other casualty occurs. If in the good faith judgment of TEAM there is substantial interference with the operation of TEAM'S activities or use of the Facility requiring TEAM to use temporarily other facilities, there shall be an abatement of all moneys due hereunder from TEAM to LESSOR for the period of such interference only. It is specifically understood by and between the Parties that during the period of such interference, TEAM shall have the right to schedule its activities or events at another facility and the obligations of TEAM pursuant to this Agreement shall be abated during such interruption. If in the good faith judgment of TEAM, the Facility is not, cannot, or will not be restored to the condition immediately before such casualty or the condition required by law, whichever is the greater, within three hundred fifty (350) days after the fire or

other casualty occurs, this Agreement may be voided by TEAM and be of no further force or affect and neither Party shall have any claim whatsoever against the other Party as a result hereof.

E. CONDEMNATION.

a. If the Facility leased under this Agreement is taken by any public authority pursuant to the power of eminent domain, this Agreement shall terminate as of the date possession is taken by the public authority.

b. If part of the Facility is taken pursuant to the power of eminent domain and, in the reasonable opinion of either LESSOR or TEAM, it is not economically feasible to continue this Agreement, either party may terminate this Agreement under the following terms and conditions:

(1) Such termination by either party shall be made by written notice to the other given not later than ninety (90) days after the date possession is taken by the public authority.

(2) Termination is effective thirty (30) days after such notice is given, or the date possession is taken, whichever is later.

(3) If neither LESSOR nor TEAM elects to terminate this Agreement, or until termination is effective as the case may be, rental payments shall be abated in the same proportion as the fair market value of the portion of the premises taken bears to fair market value of the whole of the premises.

(4) LESSOR shall make such repairs or alterations, if any, as are required to render the remainder of the premises tenantable.

c. All damages awarded for the taking or damaging of all or any part of the premises shall be the property of LESSOR. TEAM hereby assigns to LESSOR any and all claims to such award. However, nothing in this Agreement shall be construed as precluding TEAM from asserting any claim TEAM may have against the condemning authority to disruption or relocation of TEAM'S business or for TEAM'S property located on the premises.

28. PERMITS. TEAM, at its sole expense and at no expense to LESSOR, shall comply with all laws, orders, rules and regulations of federal, state, county, city, and other competent governmental regulatory authorities, and with any direction of any public officer pursuant to law, which shall impose any duty upon TEAM with respect to the Facility.

TEAM, at its sole expense and not at the expense of LESSOR, shall obtain all licenses or permits which may be required for the conduct of its business within the terms of this Agreement. To the extent permitted by law, LESSOR shall assist and cooperate with TEAM in securing such licenses or permits.

29. TERMINATION. This Agreement shall terminate at the end of its term as is set forth at Section 1 or 3 of this Agreement or earlier as specifically provided in this Agreement.

30. DEFAULT.

A. (1) If LESSOR shall default in any of its obligations under this Agreement, TEAM shall provide notice of default to LESSOR and afford LESSOR a grace period of thirty (30) days to cure such default; provided, however, that if the default in question is a non-monetary default which cannot be cured within such thirty (30) day period, then LESSOR shall be afforded such additional time as shall be required reasonably to cure such default if LESSOR:

(i) has commenced the appropriate cure within such initial thirty (30) days period; and

(ii) thereafter proceeds with reasonable diligence to cure such default.

(2) If Lessor shall be in default hereunder beyond the expiration of the thirty (30) days grace period stated above TEAM shall have the right to:

(i) cure such default on behalf of LESSOR, in which event LESSOR shall reimburse immediately TEAM for all sums paid to effect such cure together with interest thereon at the rate of eight percent (8%) per annum plus reasonable attorneys' fees;

(3) The remedies described in this Section 30 shall be in addition to any other remedy that TEAM may have at law or in equity, including without limitation:

(i) An action to recover moneys then due and owing from LESSOR together with interest thereon at the rate of eight percent (8%) per annum from the date such moneys were due to the date of judgment, plus reasonable attorneys' fees; and

(ii) an action for specific performance of non-monetary covenants and agreements on the part of LESSOR, provided that in no event shall LESSOR be liable for punitive damages suffered by TEAM, and TEAM shall in all events seek to mitigate its damages to the extent required by law.

(iii) The liability of the City and County hereunder shall be individual or joint, as the case may be, but shall in no event be several.

B. (1) If TEAM shall default in any of its obligations under this Agreement, LESSOR shall provide notice of default to TEAM and afford TEAM a grace period of ten (10) days after receipt of notice to cure such default; provided, however, that if the default in question is a non-monetary default which cannot be cured within such ten (10) day period, then TEAM shall be afforded such additional time as shall be required reasonably to cure such default if TEAM:

(i) has commenced the appropriate cure within such initial period; and

(ii) thereafter, proceeds with reasonable diligence to cure such default.

(2) If TEAM shall be in default hereunder beyond the expiration of the applicable grace period stated above, or if in the good faith judgment of LESSOR the existence of such default constitutes an immediate danger to property or to the safety or health of persons, LESSOR shall have the right to:

(i) cure such default on behalf of TEAM, in which event TEAM shall immediately reimburse LESSOR for all sums paid to effect such cure together with interest thereon at the rate of eight percent (8%) per annum plus reasonable attorneys' fees;

(3) The remedies heretofore described in this Section 30 shall be in addition to any other remedy that LESSOR may have, including without limitation:

(i) An action to recover moneys then due and owing from TEAM together with interest thereon at the rate of eight percent (8%) per annum from the date such moneys were due, plus reasonable attorneys' fees; and

(ii) an action for specific performance of non-monetary covenants and agreements on the part of TEAM, provided that in no event shall TEAM be liable for consequential or punitive damages suffered by LESSOR, and LESSOR shall in all events seek to mitigate its damages to the extent required by law.

31. GENERAL PROVISIONS.

A. Team warrants that this Agreement is not in conflict with any of the rules of Organized Baseball, including, specifically, the official Professional Baseball Planning Rules.

B. In construing this Agreement, feminine or neuter pronouns shall be substituted for those masculine in form and vice versa, and plural terms shall be substituted for singular and singular for plural in any place in which the context so requires.

C. D. The Parties agree to execute and deliver any instruments in writing, necessary to carry out any agreement, term, condition or assurance in this Agreement, whenever the occasion shall arise and request for such instrument shall be made.

All prior understandings, terms or conditions are deemed to merge in this Agreement, and this Agreement cannot be changed or supplemented orally, but only by an agreement in writing and signed by the Parties to this Agreement.

F. The term Existing Agreements means any agreement for the use of Heaton Field in effect on the date this Agreement is executed to which two or more of the Parties are a Party.

The Parties acknowledge that the performance of this Agreement including, but not limited to, the construction of the Facility, may require them to take actions, or refrain from taking actions, so as to breach Existing Agreements. The Parties agree, that in the event of a conflict between this Agreement and any Existing Agreements, this Agreement shall control and no action by any Party in accordance with the terms of this Agreement shall be a breach by that Party of any Existing Agreements.

On April 1, 1995 all Existing Agreements between the Parties hereto for the use of the baseball stadium known as Heaton Field shall terminate and no Party hereto shall have any further rights or obligations under said Existing Agreements.

G. If any provisions of this Agreement shall be declared invalid or unenforceable, the remainder of the Agreement shall continue in full force and effect unless so construing the Agreement would produce an inequitable result.

(7) of that Tri-Party Agreement dated March 16, 1993 shall continue in effect and are incorporated herein by reference.

37. SECTION 36-60-13, O.C.G.A. The Parties desire to make and enter this Agreement subject in its entirety to the limitations of a multi-year agreement by municipalities and counties in the State of Georgia as found in O.C.G.A., Section 36-60-13, and herein provide the following:

(A) The Parties agree that this Agreement between them shall terminate absolutely and without further obligation on the part of the LESSOR at the close of the calendar year in which this Agreement is executed and at the close of each succeeding calendar year for which it may be renewed.

(B) This Agreement shall be renewed automatically for each succeeding calendar year provided therein unless positive action is taken by the LESSOR to terminate this Agreement. Positive action shall consist of written notice to TEAM from the LESSOR at least thirty (30) days prior to January 1st of the next immediately succeeding calendar year.

(C) The total obligation for the LESSOR under this Agreement for calendar year 1994 shall be One Million Five Hundred Thousand and No/100 Dollars (\$1,500,000.00) for the CITY of AUGUSTA and One Million Five Hundred Thousand and No/100 Dollars (\$1,500,000.00) for RICHMOND COUNTY. It is agreed that the obligations of the parties hereto are contingent on each of them approving in writing said Exhibits when completed and that said Exhibits shall be completed no later than June 30, 1994. The failure of any party to approve said Exhibits gives any and all Parties the right to cancel in which event they shall have no further obligations under this agreement.

40. RIGHT OF CANCELLATION. Regardless of anything to the contrary in this Agreement, if the bid submitted by the lowest responsible bidder for the construction of the Facility, when added to the cost of architect and engineering fees required for the design and construction of the Facility, exceed Two Million Eight Hundred Fifty Thousand and No/100 (\$2,850,000.00) Dollars, any party to this Agreement may cancel this Agreement or, if all Parties agree, design modifications will be made and new bids obtained so as to reduce the total contract price for the design and construction of the Facility to Two Million Eight Hundred Fifty Thousand and No/100 (\$2,850,000.00) Dollars or less.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed in several counterparts, each of which shall constitute an original and all of which, taken together, shall constitute a single instrument, by the appropriate officials and the necessary seals to be affixed thereto on the 5th day of May, 1994.

ASSIGNMENT AND ASSUMPTION OF LEASE

ASSIGNMENT AND ASSUMPTION AGREEMENT made this 23rd day of JUNE, 1998 by and between Scripps Baseball Group, Inc., a Georgia corporation (the "Seller"), and HWS Baseball, LLC, a Georgia limited liability company (the "Buyer"). This Assignment and Assumption Agreement is further executed by William H. Scripps ("Guarantor") and Michael Savit and Jeffrey Savit ("Successor Guarantors") with respect to Section 6 hereinafter set forth.

WHEREAS, Seller has agreed to sell and Buyer has agreed to purchase substantially all the assets and the business of Seller for the Class A minor league baseball club known as the Augusta GreenJackets pursuant to an Agreement of Purchase and Sale by and among the parties hereto dated February 18, 1998, (the "Agreement");

WHEREAS, Seller is the holder of the lessee's interest in, to and under a certain Public Facility Lease between the Board of Commissioners of Richmond County, Georgia and the City Council of Augusta, Georgia as lessors and Scripps Baseball Group, Inc. as lessee for that certain baseball park known as Lake Olmstead Stadium (the "Lease"); and

WHEREAS, Seller desires hereby to assign the Lease to Buyer and Buyer desires to accept the assignment and to assume the liability and obligations of the Seller under the Lease as provided hereunder.

NOW, THEREFORE, in consideration of the foregoing premises and the mutual covenants and agreements contained herein and in the Asset Agreement, the parties hereby agree as follows:

1. Definitions. Capitalized terms used and not otherwise defined herein shall have the same meaning as used in the Agreement.

2. Assignment. Seller hereby sells, transfers and assigns unto Buyer, its successors and assigns, all of Seller's right, title, and interest in, to and under the Lease, including without limitation all rights of Seller in respect to any security deposit held by any Lessor thereunder. Seller hereby warrants that the Lease is in full force and effect and without default or notice of default by either party thereto. Seller warrants further that the Lease is freely assignable to Buyer or, if consent of the lessor is required by the Lease, or deemed necessary by Buyer, such consent, in form and substance satisfactory to Buyer, has been obtained.

3. Assumption. Buyer hereby accepts the foregoing assignment of the Lease and hereby covenants and agrees with Seller that Buyer will assume, keep, pay, and perform all covenants, obligations, promises, and conditions to be kept and performed by the tenant thereunder accruing from and after the date hereof, including without limiting the generality of the foregoing, the payment of rent, and other charges provided in said Lease to be paid by the tenant thereunder.

4. Indemnification by Seller. Seller hereby agrees to indemnify and hold Buyer harmless from and against any loss, claim, damage or expense (including court costs and reasonable attorney's fees) resulting from any breach by, or default of, Seller under the Lease, and for any failure of Seller to obtain any necessary consents to the assignment of said Leases. This right of indemnification shall be subject to the express limitations and procedural requirements of the indemnification provisions contained in the Agreement.

5. Indemnification by Buyer.
