Administrative Services Committee Meeting
8/13/2012 1:05 PM
Equal Employment Opportunity Plan

Department: Law

Caption: Motion to adopt Equal Employment Opportunity Plan (EEOP) for Augusta, Georgia.

Background: The requirement to develop, maintain and submit an Equal Employment Opportunity Plan (EEOP) derives from federal regulations implementing the Safe Streets Act. Recipients who have received funding under the Safe Streets Act must comply with the EEOP requirements. In addition, recipients of funding under the Juvenile Justice and Delinquency Prevention Act (JJDP) must comply with the EEOP requirements because the JJDP relies on the administrative provisions of the Safe Streets Act. Recipients of funding under the Victims of Crime Act (VOCA) must also comply with the EEOP requirements because as a matter of policy, the Office for Victims of Crime (OVC) has made compliance with the EEOP requirements a condition for VOCA awards.

Step 4b: Narrative Underutilization Analysis

In reviewing the Utilization Analysis Chart, the Richmond County Sheriff's Office (RCSO) has made the following observations:

Although there appears to be an underutilization of White and Black or African American MALES in the job category of Administrative Support, these positions are most often sought by FEMALE applicants.

More significant to the RCSO is the underutilization of Black or African American MALES in the following job categories:

Protective Services: Sworn - Officials;

Protective Services: Sworn - Sworn Patrol Officers;

Equally significant to the RCSO is a similar underutilization of Black or African American FEMALES in the following job category:

Protective Services: Sworn - Sworn Patrol Officers;

In keeping with the Richmond County Sheriff's Office commitment to having a workforce that reflects the community it serves, the RCSO will examine its recruitment, retention, and promotion practices in an effort to better hire, retain, and promote more Black or African American MALES and FEMALES.

Step 5 & 6: Objectives and Steps

1. Our objective is to provide equal employment opportunities for Black or African American men and women when our organization fills vacancies that become available in the Protective Services - Sworn Patrol Officers job category.

a. The RCSO will review all employment organizational data related to the Sworn Patrol Officers job category to identify any issues that may pose barriers for Black or African American men and women (e.g., review the records of exit interviews of former employees; examine applicant flow data for recent vacancies; review job posting and advertising practices; determine whether there are in-house career paths; evaluate the hiring, retention, and attrition rates for particular positions or for particular offices or regions).

Step 7a: Internal Dissemination

- The RCSO will post the EEOP Short Form on the Augusta-Richmond County's intranet, within an area accessible by ARC employees only;
- The RCSO will incorporate a copy of the EEOP Short Form into the RCSO policies and procedures manual;
- The RCSO will post information on bulletin boards in employee muster rooms and break areas about how to obtain a copy of the EEOP Short Form;
- The RCSO will further distribute copy of the EEOP Short Form to all RCSO supervisors; and
- The RCSO will disseminate electronic memoranda to every RCSO employee stating that a copy of the EEOP Short Form is available on request in the RCSO personnel office.

Step 7b: External Dissemination

- Notifying applicants, vendors, and contractors in writing that the RCSO has developed an EEOP Short Form and that it is available on request for review;
- Posting a copy of the EEOP Short Form on the RCSO public website.

Properties for demolition**

Department: Planning and Development

Caption: Approve list of properties for demolition.

Background: Properties on the attached list have all been approved by the courts for demolition by the City. These structures are clearly beyond rehabilitation and will continue to degrade the appearance of the City and encourage additional blight until they are demolished.
