Financial Institutions used for Certificates of Deposit**

Department: Finance

Presenter:

Caption: Request to expand pool of banks as approved depositories.
(Referred from February 19, 2019 Commission meeting)

Background: Augusta has used the following local banks for Certificates of Deposit. As CD's mature, banks are contacted and the current investment rates are requested.

South State Bank (formerly Georgia Bank and Trust)

State Bank and Trust (formerly First Bank)

Suntrust Bank

East West Bank

Bank of America

Rates are reviewed and funds invested with the institution that provides the best rate of return and liquidity options for the government. The rate offered by Georgia Fund One is used as a benchmark.

Analysis: As the Federal Reserve Board has increased the Fed Rate, interest rates have rebounded, several financial institution have contacted the Finance Department requesting the opportunity to provide investment options. All deposits must be fully insured by the FDIC or if the amount is greater than \$250,000 the financial institution must offer collateralization at 110% as required by O.C.G.A. § 45-8-12. The financial Institution to be added at this time: 1. Fifth Third Bank 2. Queensborough Bank 3. Regions Bank 4. Synovus Bank 5. Wells Fargo 6. Multi-Bank Securities, Inc. Each bank has its own investment agreement that

requires approval of the governing body. Approval of this item would authorize those agreements so that funds could be invested with these additional institutions.

Financial Impact: Expanding the pool of financial institutions allow more competition with opportunities to increase interest revenue for the government

Alternatives: do not expand pool

Recommendation: Expand pool of financial institutions

Funds are Available in the Following Accounts: The government may benefit from higher interest revenue.

Subject: RE: Vacant Position

Hello Patti :

Thank you for patience regarding your inquiry about how to move Lavascia Johnson from her current status to a permanent Augusta, Georgia employee. The HR department has confirmed that the Law Clerk position in your department still exist but was unfunded to cover the increases as a result of the Classification and Compensation questionnaire evaluations. In order for Ms. Johnson to be hired as a permanent employee, Juvenile Court will need to make the following request of the Commission:

1. Request to transfer funds from the Special Instructional Services line item to Operational budget line item in the amount of \$27,206 plus 30% for benefits.
2. If approved by the Commission, submit a Request for Personnel Action to Human Resources to reclassify the Law Clerk position to an Administrative Assistant I, salary grade 8.
3. Once the Request for Personnel Action is approved, a hiring action will need to be submitted to HR to hire Lavascia Johnson as the Administrative Assistant I at an annual salary of \$27,206. Heather Driver at extension 1006 can assist with this action.
4. Human Resources will contact Ms. Johnson to complete her pre-employment screenings and inform her of the date she should attend new hire orientation.

If you have any questions, please don't hesitate to contact me.

Thank you,

Dear Mrs. Bonner:

We have a court reporter, a critical position, out on worker's compensation leave. We received the attached communication from Mrs. Nancy Ocque that we need commission approval to move funds from salary lines to contract labor lines to fill this position with contract labor. Please place this request on the next agenda of the Finance Committee for approval to move these funds from salary lines to contract labor lines and return them once the court reporter returns from worker's compensation leave. Thanks for your assistance.

Sincerely,
